Dear Partner,

### LETTER OF CONFIRMATION

Please receive greetings from the Catholic Diocese of Techiman!

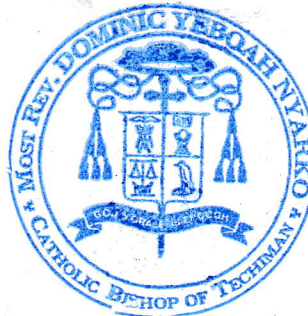

Since the creation of the Diocese in December 2007 we have partnered Government and other Development Agencies to promote livelihoods, health and other socioeconomic development interventions for the people of this area.

In recent time, the Diocese of Techiman has been exploring other innovative forms of partnerships for Social Impact Investment initiatives. In this regard, we have a Memorandum of Intent with Caritas Ghana, RIGHT NOW! and ASJEBA to develop our large holdings of land for reclamation, tree Plantations and other Agri-ecological interventions to address climate change and youth unemployment in the area.

This letter seeks to confirm our Partnership with ASJEBA and our interest in the application for a grant from the German Government.

Yours sincerely

MOST REV. DOMINIC YEBOAH NYARKO  
(Catholic Bishop of Techiman)

## LETTER OF SUPPORT FOR DEVELOPMENT PARTNERSHIP AND FUNDING

The Catholic Diocese of Techiman has since the creation of the Bono East Region on 13<sup>th</sup> February, 2019 supported the Region in its development agenda.

The Diocese has been providing social services in the education, health, water and sanitation sectors to improve upon the quality of life of the people.

The Diocese has acquired a vast land to expand its development initiatives on social impact investments for job creation, climate change mitigation and agricultural livelihoods.

It is in this respect that we wish to acknowledge and lend support for credible plans for new partnerships and resource mobilization that will support the Catholic Diocese of Techiman to achieve the above objectives.

Hoping this request would meet your kind approval, please.
